Dear Sir:

Submitted herewith is one set (one sheet, one figure) of corrected drawings for filing in the above-identified Patent application.

The Examiner objected to the drawings for reasons stated in the Notice of Allowability (Part of Paper No./Mail Date 20060415) dated April 18, 2006. Specifically, in Figure 24, the replacement drawing submitted February 23, 2006 was not acceptable because it was not in compliance with 37 CFR 1.84(g) which requires a bottom margin of at least 1.0 cm. The label "PRIOR ART" has been moved up closer to the figure in order to correct this informality.

Favorable consideration of the enclosed drawings is respectfully requested.
